Dear Friends in Christ,

Edwards Key points -

- Herod is divorced and remarried
- Saul (Paul_ moves to Jerusalem to study and become mad at the new Christian group.
- Church in Jerusalem has problems of too many believers and living as one community.

My Thoughts-

- Ananias & Sapphira lie about holding back some of the proceeds of property sale and are struck down dead.
- The Church continues to grow in Jerusalem.
- The high priest becomes jealous of the new sect attracting people, arrests the leaders, angels do jail break.

- Church leadership wants to kill new sect leaders but one of the wise ones tells them if it is of God it will last - if it does not it will fade. They whip them and let them go.
- **They rejoice to be able to suffer for the name of Jesus.** (v 3:41)
- They continued to teach regardless.

People are led to Jesus through the Holy Spirit and others teaching about Jesus.

In Christ,
